

Syfy Local Break Format Change Notice

Syfy Local Break Changes effective 4/1/16

Syfy is changing the local break window format from 3 x :60 breaks per hour to 2 x :90 breaks per hour.

Note: there is no change in total time available for insertion. The network still offers three (3) minutes per hour for local breaks.

Starting Friday, April 1, 2016 beginning at 6am/ET, Syfy will deliver **2 x :90 breaks per hour 24 hours a day.**

Any alterations or exceptions will be noted in advance and posted on our affiliate website. See link below:
